Tender Notice dated 21st February 1895.

Tenders are hereby invited for improving the Channarayapatna-Tiptur Road.

2. The plans, estimates, schedule of rates, and conditions may be seen at the Executive Engineer's office between the hours of 11 A. M. and 4 P. M. daily.

3. Printed forms of tender will be supplied on application, free of cost, by the Executive Engineer. These forms should be filled in, signed by the contractor, and forwarded in sealed covers to the Executive Engineer. . . . The work should be completed by the end of June 1897.

4. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of tender.

5. No tenders will be received unless accompanied by a deposit of Rs. 100 as earnest money.

6. Within eight days of the acceptance of the tender, the contractor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be taken to meet any loss that may be sustained by Government.

7. The name of the contractor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries respecting the acceptance or rejection of a tender will receive any reply whatever.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned to applicants in due course.
